

HAVE A COVID Medicine Prescription?

The medicine may be
FREE

If you have been
prescribed Paxlovid
to treat COVID-19, the
medicine is free in
2024 if you have:

-  **Public insurance**
(such as Medicare, Medicaid)
-  **No insurance at all**

Enrollment is easy for this
government-supported program
with your prescription:

<https://paxlovid.iassist.com>

Or call **1-877-219-7225**
